# **A BRIEFING FOR WINNERS**

## **C O N G R A T S**

You are a winner! We congratulate you on your gold status, the highest award of the Börsianer Grün – ESG Fund. As a proud winner you profit from a logo, seal, certificate and video. Moreover, we gladly provide you with exclusive quotes of the Börsianer-editorship for your internal and external communication needs. Further information can be found in this winner briefing.

## **A W A R D**

The new Börsianer Grün – ESG Fund Award honors the best sustainable investment funds in the DACH-region according to the criteria “Environmental”, “Social”, “Governance” (ESG) and “Performance”.

Therefore, 1,917 investment funds with a market capitalization of 1,6 trillion euros from 190 asset managers have been closely analyzed in 2023. The ESG-analysis serves as a guidance and benchmark for investors and readers. Investment funds can reach a maximum of 100 ESG-points in the awarding process. A rating from 90 points on represents gold status (3 trees), from 80 points on it signalizes silver status (2 trees) and from 70 points on it shows bronze status (1 tree).
